

Every church and every person needs to have foundational beliefs that guide and direct life, decisions, direction, and processes. During 'Foundations' *The Church at Martinsburg* will examine the book of Romans and establish core doctrinal beliefs for life, relationships, and mission. This series more than any we've done before will set the pace and direction for the church.

1. How would you describe your life before being reconciled to God? What does it mean to you personally to have peace with God? Take a few moments to thank God.
2. How can suffering produce perseverance? Can you think of a situation in your own life when a trial resulted in proven character? What attitudes might inhibit these results?
3. Verses 5:3-5 have been said to describe the process of maturing faith? Do you agree? How does knowing this process help you in your walk with the Lord? How might it help you to minister to others when they experience trials?
4. Knowing that we were weak, ungodly, and enemies of God before God reconciled us to Himself, how might this influence our attitudes toward others far from God? What is needed from you in order for others to experience the same peace with God?
