1. **Read Galatians 1:11-24.** Summarize and discuss Paul's story. The false teachers in Galatia had been claiming that Paul had made up the message of the gospel, the message that you can be saved by grace through faith alone in Jesus. How does his story prove the false teachers wrong?
2. What is your story? Take some time to share how you came to faith in Jesus. Looking back, how do you see God's guiding hand in your story? What convinced you, once and for all, that the gospel is not man's gospel?
3. After Paul had been saved by God's grace, he was then empowered by God's grace. What are the ways God is calling you to live by His grace? What ministry of grace is God calling you to? It may be something you are already actively involved in, or something new that God has placed on your heart.
4. What stops us from fully embracing a life empowered by God's grace? What are some areas in your life where you want to operate more from a position of faith?
