Discussion Questions

2. Read Galatians 6:11-18. The false teachers in Galatia pressured the new believers to conform to their standards. Share an example of how Christians might pressure others to conform to their own personal or cultural standards.
3. What does it mean to boast in the cross? How does this mentality differ from our culture's typical approach to achievement?
4. The definition of grace is unmerited favor. In what ways have you experienced God's grace in your life throughout this series? How will you extend God's grace during this Christmas season?
