3. God created us to live with an eternal perspective.

Discussion Questions

1. Read Genesis 1:1-3. How can we conclude from verse 1 that God has always existed? Why is it important to know this fact?
2. We see examples of intelligent and creative designs in every industry. What designs fascinate you, and how should those designs ultimately point us to God?
3. Read Isaiah 40:26. How does this verse assure us that God cares deeply for us? Share an example of how you've experienced God's care in your life.
4. We have been created to live with an eternal perspective. How can you practically carry this out this coming week?
