Discussion Questions

1. Share about a creative activity you enjoy doing and how you first got interested in it.
2. Read Genesis 1:24-2:3. We have been made in God's image. How should this affect the way we view ourselves? How should this affect the way we treat others?
3. As the crown of God's creation, we are different from any other creature in that we have the capacity to worship God. In fact, we have been wired to worship. If we don't worship God, we will worship something else. How can we talk this concept when sharing our faith with those who don't have a relationship with God?
4. On the seventh day, God rested. He didn't rest because He was tired. He rested (i.e. ceased from working) because all that He had created was good. Why is it important for us to rest on a regular basis? How will you rest this week?
