

**Discussion Questions – Discipleship Pathway**  
**EFree Church, Diamond Bar**  
**October 8, 2017**

**Outline**

**Three ways to grow spiritually.**

1. Teach each other.
2. Do your part in the body of Christ (love and serve each other).
3. Love your neighbors.

**Discussion Questions:**

1. Read Colossians 3:16. One way we grow spiritually is by teaching each other. Share something you have learned in a sermon that helped you grow in your relationship with God.
  
2. Read Ephesians 4:16. Paul describes the church as a body that grows when each part works properly. This means we are one unified group that grows when each person uses their gifts to love and serve the others. What gifts has God given you that can be used to love and serve your church family? Are you using some of them right now to love and serve your church?
  
3. How has someone in the body of Christ used their gifts to love and serve you? How did this impact you?
  
4. Part of what it means to be the body of Christ is to follow Jesus' example of loving others physically and spiritually. Read Luke 10:25-37, and discuss why it is so important for us to love our neighbors. Also, share about how you are currently loving your neighbors.
