Study the Word:

- (1) Read Proverbs 24:30-34. What does the writer mean when he says he “saw, and took it to heart”? What lessons did he take to heart from looking at the plight of the “slacker”?
- (2) Read Proverbs 23:17-21. What is the difference between a healthy ambition to succeed and destructive greed? How do you know if you are a greedy person? How are envy and greed related in your life?

Personal Application:

- (1) How are you doing in keeping your spending within your means? What do you need to change next month to live within your budget and avoid the pitfall of debt? What do you need to do to get out of the debt you're in?

In what area of your life (work, home, church) are you most tempted with laziness? Why do you think you can easily be lazy in that area? What specifically is God asking you to do to work hard in every area of your life?
