

## The Person and Work of Christ – Week 10

1. Christ's Humiliation does not refer to:
  - (A) the mocking He underwent.
  - (B) any embarrassment He had.
  - (C) the bad things in general that happened to Him.
  
2. Christ Humiliation first consists of considering His birth:
  - (1) infinite condescension in becoming man
  - (2) born in a low estate and condition
  
3. Christ Humiliation then consists of considering His life:
  - (1) He was made under the Law
  - (2) He perfectly fulfilled the Law
  - (3) He suffered troubles in this life
  - (4) He subjected Himself to temptation
  
4. Christ Humiliation then consists of considering His death:
  - (1) He was unjustly accused
  - (2) He was tortured
  - (3) He felt the wrath of God
  - (4) He continued under the power of death for a time
  
5. This teaches us:
  - (1) As He was humbled, to be humble
  - (2) As He dies for our sins, to die to sin
