### WHEN GOD IS UP TO SOMETHING

1. God calls ordinary people to do \_\_\_\_\_.

- You may have fear, self-doubt, a tainted past, or meager star power, but God's criteria for choosing servants run contrary to human reason.

2. God's calling may be sudden and surprising-- \_\_\_\_\_.

- At any moment, as you are going about your everyday business, God may suddenly call you to stand before a king!
