Growth Group Questions
Week of August 27, 2017

Growing Together (Use these questions during your family/community time)

As you start your group tonight, consider these things:

1. Preach the Gospel to Each Other Have 1-2 people share the Gospel in their own words. (5min) We've been doing this every week...that's good, keep doing it! :)

2. Share Your Story Have 1-2 people share their story of how God is working in them. This doesn't need to be a full life story - in fact it shouldn't be. (3min max each) Consider sharing a time when you felt unloved, hopeless or lost and Jesus was your rescuer, and how God restored/is still restoring you. He is Love, Hope. You are found. That's the Gospel at work in your life!

3. Pray for People Share an update on those God has put on your heart (and your prayer list). Have you had any spiritual conversations with them? Continue to pray that God would move in their hearts and that HE would open your eyes to see what HE is doing as well as give you opportunities to share the Gospel with them. Have courage! Remember it is God who does the work, we get to partner with Him. Share who you're praying for. As a group, be praying for each other's friends by name.

4. Plan a Party Have you planned a group event to invite your friends to? Don't overthink it. Consider who you want to invite, and plan something they would want to come to. Maybe it's a BBQ, maybe it's just coffee. If your friends can't/won't come, pray and support the others in your group whose friends come. That's the beauty of a community of 'One Anothers'!
