

1. How do you feel about sharing your faith with others?
2. What are some objections you've heard to our view of creation?
3. Pretend the topic of ORIGIN came up in a college class. How would you summarize the Christian view? What Bible verses would you use?
4. If the teacher said, "Christians still believe the Bible, but today we believe what the science shows us." How would you respond?
5. Regarding the MEANING of life, how would you summarize the Christian view?
6. If someone said, "Everyone basically believes the same thing," how could you contrast our view on meaning with other views?
7. Pretend you are talking to a Hindu woman who is devastated by the refugees who are suffering. How can you politely ask her to match her view of morality with those who are suffering? How can you bring Jesus into this conversation?
8. Can you summarize how the Christian view of DESTINY is unique from other faiths? What would you say to the person who claims all roads lead to God?
