***From the Depths to His Chest***  
*Psalm 130 & 131*

*While we are in the depths, God is \_\_\_\_\_ to our cry.*

*When we are rescued from the depths, God begins to transform our hearts to have a \_\_\_\_\_ for Him and His Word.*

*When we are rescued from the depths, we begin the habit of \_\_\_\_\_ on to the Lord as we place our hope in Him.*

*Our redemption comes intimately in the person of Christ, allowing us to be \_\_\_\_\_ on the chest of Christ.*
