

**Prayer—the conduit for God's Power!**

**2 Chronicles 20:1-22**

**Five instructions regarding prayer:**

1. When you pray, **remind** God of His Word.
2. When you pray, come into the Lord's presence and **cry out** to him for help.
3. When you pray, recognize that you have **no power** to face the problems of this world without Jesus.
4. When you pray, know that it is **the Lord's help** you need and not the world's.
5. When you have prayed and prayed some more, then **get up** and **go out** and wait expectantly for God's **deliverance**.
