## Isaiah 33:5-6

- *In the midst of this anxiety-ridden reality, the Lord enabled Isaiah to see that the real King was not dead. He was & is gloriously seated on the throne of the universe. It is this divine King, not the next human king, on whom Isaiah should pin his hopes. When Isaiah caught a glimpse of the real King, everything about his uncertain circumstances looked different. And when you & I, through the pages of Scripture, catch a glimpse of this real King, everything in our world full of uncertainties looks different. We realize we can rest secure. We don't have to be afraid of the future.” (Teaching Chapter, pg. 121-122)*
