

DAVID: GOD'S GRACE ON DISPLAY

II Samuel 7:1-29

July 9, 2017

Always Seek God's Yes or No

1. Avoid arrogance and presumption (II Sam 7:1-17)

- Remember who has made their counsel available
- Remember to give God the final word – as He will always have it

2. Seek with humility and gratitude (II Sam 7:18-26)

- Remember who we are and who He is
- Remember God's past work and His future promises

3. Respond with devotion and diligence (II Sam 7:25-29; I Chron 22:2-19)

- When God says yes, we have His provision and blessing
- When God says no, we know He has a better plan in mind
