SERMON DISCUSSION GUIDE

1 John 3:11-24

WHERE TO BEGIN?

Has anything ever bugged you enough as you've been going to sleep that you got up to check it?

DIGGING IN: What was the message about?

According to this passage, what are three ways we can know that we have eternal life?

Which is harder for you: Viewing the world's goods (v. 17) the way God does or confronting your feelings with what God says?

LIVE IT OUT: What do we do?

Are there any believers you see in your life who you could serve with the temporary, worldly goods God has given you?

Is there anything in your life that has kept you from resting in God? What truth can you go to from Scripture to check it?

[Family Question]: How does believing what the Bible says change how we treat others?

PRAY

Pray that God would reveal to us as believers that we may have shut off our emotions toward other believers in need.
