

MILL CREEK COMMUNITY CHURCH
SERMON DISCUSSION GUIDE

1 John 4:1-6

WHERE TO BEGIN?

Have you ever bought something that you later discovered wasn't genuine?

DIGGING IN: What was the message about?

Why is it necessary to test the spirits, even in our world and churches today?

What are any of the three ways that John gives us to test teaching that we read or hear?

LIVE IT OUT: What do we do?

Why are false prophets often popular? Even though they may be popular, what encouragement does John give us?

Was there anything in this passage that will help you personally stay on track with learning biblical truth?

[Family Question]: Are we ever too quick to accept what we hear as true? Why is that?

PRAY

Pray that we would be discerning about teachers and books that don't align with God's Truth.
