

MILL CREEK COMMUNITY CHURCH
SERMON DISCUSSION GUIDE

1 John 5:1-12

WHERE TO BEGIN?

Have you ever been unprepared for a test? What was the result?

DIGGING IN: What was the message about?

Why are God's commands "not burdensome" (v.3)? What does it mean to "overcome the world"?

What are the witnesses to Jesus Christ? In what way did Jesus come "by water and blood" (v.6)?

LIVE IT OUT: What do we do?

How are you at "overcoming the world"?

What has convinced you that true life is found in Jesus? Is there any further proof you need?

[Family Question]: If God's commands are not burdensome, why can they be difficult to obey at times?

PRAY

Pray that you will be able to preach the gospel to yourself every day of this week.
