Life in God's Hand

Psalm 31

Main Idea: Two compulsions that comfort and strengthen the believer in the face of trial.

1. God's people are to rest in the safe hands of a faithful God.

2. God's people are to render their lives in the safe hands of a faithful God.

Living What We Learn:

1. Resting leads to Worship (v. 21).

2. Individual resting encourages others to rest (vv. 23-24).
