PETER PERFORMS MIRACLES

1. Peter visits the Churches (*Acts 9:32-35*)
2. Jesus heals Aeneas through Peter
3. Jesus heals Tabitha through Peter (*Acts 9:36-43*)
4. Many turned to Christ because of these miracles
5. Christianity was considered to be a sect of the Jews at this time
6. Peter is fulfilling his role as an apostle

Our response to the SCOTUS ruling

1. This is no time to panic
2. There will be consequences to our society because of this decision
3. marriage and sexuality are determined by God, not government (*Ephesians 5:22-33*)
4. The act of homosexuality is still defined as sinful by God's unchanging Word (*1 Corinthians 6:9-11*)
5. Jesus Christ is still sovereign over everything (*Philippians 2:9-11*)
6. We must act in love towards everyone (*Galatians 5:14*)
7. Our fight is not with individuals (*Ephesians 6:12-13*)
8. We will stand for truth (*Isaiah 5:20*)
