Correcting Spiritual Myopia

Psalm 73

Main Idea: It is not possible for a person to see and trust in the eternal while his focus is on the temporal.

Regaining spiritual focus requires that you...

1. Be transparent about your unsettling perception on life (vv. 1-3).
2. Be humbled by your distorted view of envy (vv. 4-16).
3. Be open to a renewed perspective through the worship of God (vv. 17-20).
4. Be quick to reaffirm your delight and faith in God (vv. 21-28).
