

Discussion Guide and Study Notes

August 11th, 2013

Please use this guide in your Life Group discussion to help glean the most from our Sunday morning teaching. These notes are also excellent for your personal study and growth.

TILL [Get the soil ready]

Who are you? Share any data on your family origins. From whom do you descend? When did your ancestors immigrate to the US? Any notables in history?

Jesus' lineage was an issue from his birth. How important was one's lineage in his day?

SOW [What God wants us to hear]

What's at issue in each of these passages about Jesus?

- Luke 3:23
- John 8:25-26, 41
- John 17:1
- Luke 20:41-44
- Mark 14:61-62

Tend [Working the truth into our hearts]

So, he is God's son living with us!

In what ways did he express or show his deity? In what way did he express or show his humanity?

How can he be both?

Harvest [Where the fruit is seen]

He's beyond amazing. Too amazing to keep to ourselves. To whom do you need to share Jesus? Record their name in your journal and begin praying for them in your life group.

A disciple is simply a follower or apprentice. Since we should be multiplying disciples, who can we disciple? Need some help getting started? Please see your campus pastor!
