

A Life of Proper Perspective

Psalm 90

Main Idea: Faithful believers are taught to number their days in light of God's eternity, sovereignty, and mercy.

Living a life of eternal perspective requires that one...

1. Take refuge in the eternal God (vv. 1-2).
2. Find solace in the sovereignty of God (vv. 3-6).
3. Be sobered by the severity of God (vv. 7-12).
4. Remain desperate for the mercy of God (vv. 13-17).

Living What We Learn:
