

Read Ephesians 2:10 & 1 Timothy 1:6-7

1. In 2 Timothy 1:6, Paul gives the picture of a burning fire within us. However, we also know that a fire left alone tends to smolder and burn out. Would you say you are “fanning into flame the gift of God within you”? Explain your answer.
2. Before we apply these Scriptures, we need to understand what we mean by the following words. How do we define or describe:
 - a. Gifting
 - b. Calling
 - c. Fanning
3. Do you have a good understanding of your gifting and calling in Christ?
4. What effectively “fans” the gift and calling God has given you?
5. What “flame-killers” are you experiencing right now?
6. The passionate purposeful life in Christ is lived *together*. How can the people in this group spur you on towards a more passionate and purposeful life?

Pray for God to use this time in your life to reveal your gifting and your calling.
