

FELLOWSHIP OF GRACE
Michael Porter, Lead Pastor

December 13, 2015

Introduction:

Understanding the gospel causes us to want to give financially back to God. What should that look like?

1. Giving is investing with God
(Luke 6:38, Matthew 6:19-20)

2. Giving should be sacrificial
(Mark 12:41-44, Philippians 4:18)

3. Giving is proportional
(Luke 16:10)

4. Giving affects spiritual riches
(Luke 16:11)

5. Giving amounts are personally determined
(Luke 19:2-8, 2 Corinthians 9:7)

6. Giving is in response to need
(Acts 11:27-30)

7. Giving demonstrates love
(2 Corinthians 8:1-8)

8. Giving is to be planned
(1 Corinthians 16:1-2)

9. Giving is to be generous
(2 Corinthians 8:2)

10. Giving results in blessing
(2 Corinthians 9:10-11)
