“God is not worshiped where He is not treasured and enjoyed. Praise is not an alternative to joy, but the expression of joy. Not to enjoy God is to dishonor Him. To say to Him that something else satisfies you more is the opposite of worship. It is sacrilege.”

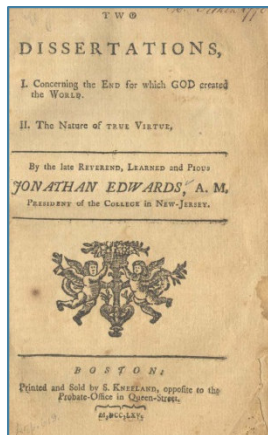

John Piper, *Desiring God, Revised Edition*, (Colorado Springs: Multnomah Books, 2011), 22

“The happiness of the creature consists in rejoicing in God; by which also God is magnified and exalted. Joy, or the exulting of the heart in God’s glory, is one thing that belongs to praise.”

Jonathan Edwards, *The End Towards Which God Created the World*,
