Unless the Lord Builds the House

Psalm 127

Main Idea: Apart from God the believing parent labors in vain.

1. God is the builder of the home (v. 1a)
2. God is the protector of the home (v. 1b)
3. God is the provider of the home (v. 2)

4. God is the rewarder of the home (vv. 3-5)

- *Arrows must be directed*
- *Arrows must be released*

So what role should the church have in the lives of the families that make up their community?
