#### MY MOUNTAIN:

What needs to change in my life? What have I tolerated for too long? (vv. 6-7)

#### WHAT PREVENTS ME FROM LEAVING THE MOUNTAIN AND TAKING MY JOURNEY

**Fear** of an uncertain future (v. 29).

### WHY I CAN BANISH FEAR AND TAKE MY JOURNEY INTO THE UNKNOWN (v. 30)

#### 1. Because **God is faithful to go before me.**

- God is already in my future paving the way for me. And, from that future position, He beckons me to come.

#### 2. Because **God is faithful to fight for me himself.**

- God makes my problems his problems. God is neither apathetic towards nor removed from the obstacles that stand in my way.

#### 3. Because **God has been faithful throughout my past.**

- When you can't trust God for your future, remember his faithfulness from your past.
- God's faithfulness is new every morning (Lamentations 3:22-23).

#### CENTRAL TRUTH:

I can banish fear and take my journey into the unknown because God is faithful.
