

SMALL GROUP QUESTIONS
"For The Kingdom"
Week of October 29, 2017

CENTRAL TRUTH: We should further the Kingdom of God through service.

STARTING QUESTION

1. Discuss how some people try to build their own kingdoms (i.e. wealth, comfort, popularity, achievement, etc.). What are your thoughts about these pursuits?

PERSONAL REFLECTION

2. Have you noticed any of these previously discussed traits within yourself?
3. Read John 3:5. While people have natural tendencies to strive and build their own kingdoms, Jesus has called believers to enter into the Kingdom of God. He explains that the way to enter into God's Kingdom is through spiritual renewal ("water") that can only happen through the Holy Spirit ("spirit"). Have you made a decision to allow God to renew you? If not, what's holding you back?

PERSONAL APPLICATION

4. The Kingdom of God can be furthered through those who have been spiritually renewed and make themselves available through service. What is something specific and practical you can do to further the Kingdom of God personally? With community?
