Standing Strong in Difficult Times Having Convictions in a Age of Compromise

Belief vs. Conviction

Belief = Accept something as true, genuine or real

Conviction = To be so thoroughly convinced that
something is true that you take a stand
for it no matter the cost

Key Passages: 1 Corinthians 15:1, Daniel 3

1. Shadrach, Meshach and Abednego had deep conviction
about their God
2. Their faith was tested
3. God proved His greatness
4. God was honored
