

# **I Will (Psalm 15)**

## **ResBand**

(K. Amos, J. Amos)

(2.1)

### **Verse 1**

He who walks blamelessly  
And who does what is right

Does not slander with his tongue  
Vile person is despised

Those who love neighbors as themselves  
And love God above all else

### **Chorus**

Who will sojourn in Your tent?  
And who will dwell on Your hill?

I will!

I will!

I will keep my heart for You

### **Chorus**

### **Verse 2**

He who swears and does not change  
Doesn't cheat the innocent

Puts up money without interest  
Takes no reproach against his friend

Those who love neighbors as themselves  
And love God above all else

### **Chorus**
