Verse

O God, preserve me
In You I put my trust

My portion, my cup
My everything
I have no good
Apart from You

Pre-Chorus

You will not abandon me
Corruption my soul shall not see

My flesh dwells secure
And so I bless You, Lord

Chorus

In Your presence
Is fullness of joy
At your right hand
Are pleasures forever

In Your presence
Is fullness of joy
At your right hand
Are pleasures forever

For You make known to me
The path of life
Yes, You Lord
Are always before me

Therefore my heart is glad
I will rejoice
With You at my right hand
I will not be shaken
