2 Peter 3:10–14
December 14, 2014

Introduction

I. The future coming of Christ will be cataclysmic. 2 Peter 3:10, 13

II. The coming of Christ will be a day of final judgment. 2 Peter 3:10

III. How then should we live? 2 Peter 3:11–12, 14

Questions for reflection:

- *How does reflecting on future things connected with Christ's return make us better Christians here and now?*
- *The future coming of Jesus is a motivation to make our personal "calling and election sure." How do we do this?*
- *Given the second coming, what should our concern look like for others, especially the spiritually lost?*
- *What are the things that will pass from this life into the next? Are our current values and priorities consistent with what will matter when Christ returns?*
