Where Do People Go When They Die?

Heaven's location has a physical reality to it (John 14:1-6).

There are three distinct places that all have the name "heaven" associated with them. (Isaiah 55:11, Genesis 15:5; 2 Corinthians 12:2-4).

Heaven's location is not to be confused with Sheol (Psalm 139:7-8; Luke 16:19-31).
