

THE GOD WHO SEES ME

DNA GUIDE for DOXA CHURCH

DISCOVER (PRE-WORK)

Before and while you read these passages ask the Spirit of God to illuminate your heart and mind and bring conviction and clarity of his truth for your life. Take some time during your own personal study to read through these four key questions:

1. Who is God (what does this passage tell me about God's character)?
2. What Has God Done (how do I see God's character in action here)?
3. Who Am I (how does God's character and action shape how I see myself)?
4. What Do I Do (if I believe 1-3 how would I respond and relate to others)?

Scriptures: Psalm 33:13-15, 2 Chronicles 16:9, Hebrews 4:13, Hebrews 13:5, Matthew 10:29

QUESTION: What did you DISCOVER during your study?

NURTURE

Confess out loud to one another areas of personal struggle or unbelief that the Spirit revealed during your personal study.

In light of this week's sermon, consider these questions together:

1. As you read through the verses above, what aspects of God's character are hardest to believe for you? Why do you suppose that is?
2. What events or relationships in your past have shaped how you see God's presence and care for you?

3. As you read Hebrews 4:13, what emotions rise up in you? Be honest. Comfort? Fear? Anxiety? Shame? Gratitude?
4. What's the difference between forgetting someone's sins and forgiving them?
5. God is fully aware of our brokenness, our fears, and our hopes of the future. Does God's grace towards you mean more or less in light of this awareness? Explain why (for you personally).

During this time, let each person share how or where they need to repent and believe the truth of God revealed to them in Jesus. You may need to guide each other to what is true of God and ourselves in light of what Jesus has done. If someone is experiencing a great deal of dryness or emptiness in their relationship with God. Remind them that God wants to satisfy the deep thirst of their soul with the living water that Jesus has to offer. Repentance may look like turning away (repent) from empty or corrupt sources that they have been depending up and turning back to Jesus (believe) to the true supply of soul water. Confess out loud the wrong sources and calling out in prayer for God the Father to pour His love into their hearts through his Spirit as they turn to Jesus for help.

QUESTION: How will you REPENT and BELIEVE the gospel?

ACT

In light of your time together, what steps will you take to act on your new discoveries and affirmed beliefs?

Consider these questions:

1. What would look different in your life if you lived as though God truly saw everything?
2. We know theologically that Jesus is with us always. Are there any people you would *avoid* if you really believed that Jesus is with you wherever you go? Are there any people you would begin to *engage* if you believed that Jesus is with you? Who are they?
3. How can your DNA group help you to remember that God sees all and still loves you?

QUESTION: What will you DO and who will you TELL about what God has done?
