Selfness

November 12,

*Action point:*  
*Make a conscious decision to be who you are in Jesus rather than trying to impress others.*

### **What's Holding Me Back?**

Healthy selfness comes from not placing our confidence in our accomplishments (Philippians 3:1-6).

Healthy selfness comes from letting go of some things to make room for the more important things in life (Philippians 3:7-9).

Healthy selfness comes when we make the decision to be who we are in Jesus. (Philippians 3:10-14).
