The Tale of the Mutton Minders

God uses difficult situations to bring about His will (Luke 2:1-7).

God reaches out to those who are nothing special (Luke 2:8-14).

When we check out the story of Jesus we are more prone to encounter him (Luke 2:15-20).

Action points:

Here are a few suggestions for including Jesus in the season:

- *Read Luke 2 when you open the presents*
- *Get a Jesus stocking let everyone put something in there telling what they are going to do for Jesus*
- *Serve in a soup kitchen, Wesley Center, OCC, and include those things in the stocking*

- *At your white elephant gift exchange ask a few people share about God moments they have been a part of this year*
- *Invite someone to join you for the Christmas Eve Service*
