

TALK IT OVER

How to use it - Talking through the message during the week will help you grow in your faith.

You and your Neighborhood Group will be able to turn Sunday's message into real life application points. In your time together as group you will be accepted, supported, known and developed. At each group gathering there is an opportunity to share what your learning or just sit and listen from others. You will be cared for and care for others in the group. In addition you can share prayer requests and have the chance to pray for one another. Take a few minutes to look over some of the Talk It Over questions. As a group you may decide to talk about one of these or all of them.

Ice Breaker / Vision Connection with Area of Influence Campaign

What has been one of the more memorable family gatherings you have had? Take a few minutes to share How God might use the land we are trying to purchase to create some great memories and build strong families to love Christ and their neighbors.

1) In this weeks message, we learned about God's plan for families from generation to generation has remained the same. Take a few minutes to read Deuteronomy 6:4-9 and share some observations.

2) On Sunday we learned 3 points of application.

- The importance to Personally live out our faith.
- The importance of teaching God's word in the privacy of our homes.
- The importance of going public with our faith.

Note: We must remember It's only by God's grace that we can live out any of this. We can lean on God and his people to help grow a Godly influential family.

3) Take some time to pray for each other's family needs.

4) In addition, take some to pray for our church to be able to have the needed resources to secure a permanent place of worship and our church would come ready for Commitment Day, May 17th!
