

HOW TO USE TALK IT OVER

Talking through the message during the week will help you grow in your faith. You and your Neighborhood Group will be able to turn Sunday's message into real life application points. In your time together as group you will be accepted, supported, known and developed. At each group gathering there is an opportunity to share what your learning or just sit and listen from others. You will be cared for and care for others in the group. In addition you can share prayer requests and have the chance to pray for one another. Take a few minutes to look over some of the Talk It Over questions. As a group you may decide to talk about one of these or all of them.

AREA OF INFLUENCE - INFLUENCE AT WORK PART 7 - I PETER 2:9-10 - THE PRIESTHOOD OF ALL BELIEVERS

Ice Breaker - Take a minute to share what you like about your work experience?

- 1) What from Sunday's message stood out to you and why?
- 2) Read I Peter 2:9-10, Peter writes to Christians enduring some level of persecution for their faith to encourage them and exhort them to live out their faith in every day living. Why is this important for all Christians?
- 3) How can you better live out your faith as a Christian in the workplace.
- 4) Pastor Ryan spoke about the 4 Practices of the Priesthood, as implications of this truth, that through Christ we are invited into a his family as chosen, holy and royal priesthood. How does this idea influence your view of work?
- 5) Please take time to pray for each other and the church's campaign to secure the property for our longterm home.

*The priesthood of all believers can be defined as a doctrine of the Protestant Christian Church: every individual has DIRECT access to God without ecclesiastical mediation and each individual shares the responsibility of ministering to the other members of the community of believers.
