

## Outline – Women’s Biblical Theology February 2, 2017

**Topic:** “Maturing In Christ”

**Subject:** The Samaritan Woman

**Title:** “Who is that woman at the well?”

### **GBC Women’s Theology Class - 2017 “Welcome to All my Sisters in Christ” PJ**

**Introduction** - A biblical survey of life, growth and maturity in Christ is an essential subject to which every believer should devote themselves. Admittedly our initial conversion and experience of grace and new life in Christ is a major reference point in the life of the Christian. 1 Peter 1:23

Called, Regenerated, illuminated, and being transformed by the power of the Gospel is an unspeakable gift full of glory. 2 Cor 3:18 \_\_\_\_\_/\_\_\_\_\_

Both are a process and a Principle - Romans 12:2

Yet we must admit, that it is a process in which very difficult and hard lessons can and will emerge to teach us what it means to grow in grace and in the knowledge of the Lord Jesus Christ. The apostle Peter puts it this way: - 2 Peter 1:5-8

This study guide is just one in a series on the subject of growing and maturing in Christ. The three stage I wish to address are –

1. The New Birth - John 3:3-8 regeneration \_\_\_\_\_ Titus 3:5 (Genneo)
2. The Age of instruction - 1 Peter 2:1-3 \_\_\_\_\_ Gal 3:25-28 (Nepios - Paidia - Teknon)
3. The Age of Application - Matt 28:19-20 \_\_\_\_\_/\_\_\_\_\_ (Teknon - Huios) - John 13:33 /1 John 2:28; 3:1; 4:4; 1 John 5:21 - (Sons - Gal 4:6/Matt 3:17; 4:3; 5:45)

Our Hermeneutical system will assist us in plumbing the depths of these stages and assure us that Growth in Christ is indeed the Will of the Father and His imperative to every believer.

What is the acrostic meaning we’ve learned about this five-fold method?

**As it is in the natural so it is in the spiritual** - John 3:12

As we engage this topic of maturing in Christ we want to discover exactly where we are in order to appropriately and effectively “grow up into Christ in all things” Eph 4:15

Finally, I want to define this Study in John 5 of (R’s)
