AMERICAN ANGLICAN COUNCIL

*For 20 years The American Anglican Council
has promoted and defended Biblical Anglicanism.*

Many Anglican churches are in need of revitalization. While some parishes are thriving, others are in decline. We want these churches to be fully functioning outposts of God's Kingdom.

The American
Anglican Council
focuses on three
areas:

Developing Faithful Leaders

Renewing Orthodox Anglicanism

Equipping the Church for Mission

Are you in a congregation in need of fresh vision and revitalization? Are you a priest who could benefit from a coaching relationship with a fellow priest? Do you want to know more about Anglicanism and what's going on in the Anglican Communion? These are questions we often answer.

If you have questions or would simply like to know more about our ministry please give us your contact information (below) and hand it to the American Anglican Council speaker at this event.
