**Outline from Sunday's Sermon:**

**The three Empty Promises of Easter**

- 1. The Empty Cross**
- 2. The Empty Tomb**
- 3. The Empty Burial Cloths**

**Discussion Questions:**

1. How did you spend Easter? Did you travel? Did you have visitors from out of town? Please share any highlights.
2. In the first century, new Christians would often be baptized on Easter Sunday. To mark the special occasion, they would wear a new article of clothing to signify their new life in Christ. This Easter, we were encouraged to be purposeful and intentional when shopping for new clothes. If you bought a new article of clothing for Easter, please share about your experience. How did God encourage you?
3. What emotions come to your mind when you think of the word **empty**? How can God take a negative view of emptiness and redefine it?
4. Read Luke 24:1-12. What does the fact of the empty tomb mean for those who believe in Jesus Christ? How should this impact the way we live our lives?
