James 1:2-4

March 5, 2017

Pastor Tony Plummer

Three Points in Three Verses:

1. You will fall into various species of trials your entire life
2. All species of trials have design
3. There is cause for great joy in suffering

You Know – *“Ignorance is the cause of great sorrow.” Thomas Manton*

God’s design in all of your trials is:

1. To Test Your Faith
2. To Produce Steadfastness
3. That You May Be Perfect, Complete, Lacking In Nothing

But Always Remember...

“While all things are quiet and comfortable, we live by sense rather than faith.” Thomas Manton

Memorize & Meditate

“For I consider that the sufferings of this present time are not worth comparing with the glory that is to be revealed to us.”

Romans 8:18
